	"			

Note: Each year we offer new courses under the number EDUC 545; look for these experimental courses to fill out your course selection. They may be used to fulfill a requirement with approval of your academic advisor. Other courses may also be used to fulfill one of the core requirements with your advisor's approval. You will need to complete a "Core Requirement Approval" form.

Comprehensive Exam or Thesis Requirement: Select 1	
Comprehensive Exam	Semester plan to take/passed (Typically offered in the Fall & Spring semester): _____
Master's Thesis	Semester plan to complete/passed: _____ Thesis Advisor: _____ Thesis Second Reader: _____ Approved topic (from semester before submission): _____

IMPORTANT: Students must register to take their comprehensive exam in the appropriate semester and must apply to graduate! Students who do not apply to graduate by the deadline will have to stay an additional semester; applications do not roll-over. Look for details about when to apply on the GSE academic calendar available on the GSE website.
