10:05-11:00  BREAKOUT SESSION 1

1.  “SHAPING YOUR LIFE’S OPPORTUNITIES IN AN AGE OF JONAS BROTHERS, MICHAEL JACKSON, AND THE INTERNET: IMAGES AND DIGITAL FOOTPRINTS THAT YOU AND NO ONE ELSE WILL FORGET.”

PRESENTER:  Mr. Marshall Mitchell, Founder of Different Drummer Marketing
Washington, DC and Santa Monica, CA
and
Trustee of the University of Pennsylvania
Philadelphia, PA

ROOM:  William Penn 1

SESSION DESCRIPTION: The session will look at trends in social networking, media, and popular culture that impact education and the perceptions of young people. In an increasingly networked world, schools and students must make adjustments in their habits and uses of media to maximize their positive experiences. Students will be cautioned about uses of media in engaging their world and creating the proper environment for growth in a world dominated by media and popular culture images such as the Jonas Brothers, Beyonce, Lebron James, Lil Wayne, Jay Z and Michael Jackson.

2.  “CORE 6 SUCCESS: REDEFINING THE PURPOSES OF YOUR EDUCATION”

PRESENTERS:  Mr. Nasser Jones and Mr. Brian Smith
Omni Leadership Alliance
Jenkintown, PA

ROOM:  Chestnut

SESSION DESCRIPTION: The "mis-education of education" has the majority of Americans in a maze of getting more degrees only to experience the 40-40-40 principle—work 40 hours a week for 40 years to retire on 40% of what you could not live on before. Furthermore, success in our society is defined by academic achievement, followed by financial gain, successful marriage and family, and finally a smooth retirement.

Yet, what this model of success fails to address is that humans are multi-faceted in their thinking and multi-dimensional in their development. Consequently, there are 6 core areas of every person’s life that when in proper alignment, allow the most fulfillment and a fuller experience of success. Learn what these 6 core areas are, as well as how to navigate the relationship between education, wealth, work, and success.

3.  “DREAM, PLAN, DO: PLANTING SEEDS FOR TOMORROW TODAY”

PRESENTERS:  Ms. Jennifer C. Carroll
Sponsor-A-Scholar Coordinator
Philadelphia Futures
Philadelphia, PA

Ms. JeNell LaRue
Coordinator of Counseling Services
Upward Bound
Gwynedd-Mercy College
Gwynedd Valley, PA

ROOM:  University 2

SESSION DESCRIPTION: Congratulations! In the next year or two you will be a high school freshman and one step closer to college. You may be thinking I have a few years before I have to think about college, why am I being encouraged to think about it now?

This workshop will help you to understand why parents, teachers and counselors are talking with you about college planning, and provide you with the necessary tools, tips, and resources to prepare you for college success.
4. **“LESSONS WE HAVE LEARNED: FINDING & MAKING TIME FOR SUCCESS”**

Juliane Eklund - Senior
Kyle Kenyon - Senior

**ROOM:** William Penn 2

**SESSION DESCRIPTION:** Student leaders from Kennett High School will come together to share the do's and don'ts of navigating the sometimes slippery slopes of high school. The panel will discuss their own successes and struggles as well as give survival tips geared toward how their middle school audience might learn from their experiences. This workshop is student-centered, and will include interactive discussion and time for questions.

5. **“CODE SWITCHING OR KEEPING IT REAL? A CONVERSATION ON STANDARD ENGLISH VS ETHNIC SLANG AND HOW IT MAY AFFECT YOU”**

**PRESENTERS:** Mrs. Andrea Lawful-Trainer, Educational Consultant and Parent
Mrs. Robyn Tucker, Account Manager for GMAC and Parent
Abington School District
Elkins Park, PA

**ROOM:** Ben Franklin 1

**SESSION DESCRIPTION:** This workshop is designed to be a spirited conversation between the youth and the two facilitators on the merits/consequences of speaking in a manner that may be misconstrued as negative or “trash” talking. When is it appropriate? Are you losing your identity if you “Code Switch?” The presenters are parents of teenagers who sit on both sides of the spectrum and will keep you laughing while giving you food for thought on why first impressions are often lasting ones. Come and discuss with these adults how you can remain true to yourself and keep your identity in an increasingly competitive school environment without being perceived as offensive.

6. **“THE PASSION AND POWER OF STORY IN OUR LIVES”**

**PRESENTER:** Mrs. Alyse Halpin, English Teacher
Kennett Middle School
Kennett Consolidated School District
Kennett Square, PA

**ROOM:** University 1

**SESSION DESCRIPTION:** The passion and power of story in our lives touches us all. It has the power to transform, to bring people together, to change our very lives. Not just any story, but YOUR story. "This I Believe" and "StoryCorps"—sponsored and broadcast by National Public Radio—are nation-wide projects that may be the most important cultural events in America today. It’s about us. About who we are. About where we’ve come from, and where we want to go. Of all of life's big questions, “What do you believe?” is one of the most important. And for many, the answer may be one of the hardest to actually put into words.

By asking millions of people around the nation and the world to write and share their personal philosophies on the radio, online, and via podcast, "This I Believe" and "StoryCorps" hope to encourage people to share our daily lives, and to develop acceptance of—and even respect for—beliefs different from one's own. It’s a national conversation. Don't you want to be part of it? America should hear your voice.
11:05-NOON BREAKOUT SESSION 2

1. “KANYE WEST, MICHAEL VICK, EMINEM, POP-CULTURE & CHOICES”

PRESENTERS: Mr. Nasser Jones and Mr. Brian Smith
Omni Leadership Alliance
Jenkintown, PA

ROOM: Chestnut

SESSION DESCRIPTION: Hey, no one's perfect! Everyone needs help in making the best choices in life. Even celebrities make poor choices. Every day we have to choose and decide what is best for our lives. In this workshop, Nasser Jones (Motivational Speaker & Entrepreneur), will share candidly about the poor choices he made as a young person, but with the help of concerned, and non-judgemental adults, was able to turn it all around to become an upstanding leader and businessman. In this interactive workshop, students will be able to share with one another the difficulties of making the positive choices and the impact it has made on their lives. This is a great workshop to come to if you don’t want to be judged or looked down upon for not always being perfect.
