Name: _____ Grade level/Job: _____ Facilitator(s): _____
(If necessary, use the other side of the paper to answer these questions.)

1. What are your current successful math curriculum/program practices? What can students do successfully as mathematicians in your classroom?
2. What math curriculum needs/concerns do you hope the PLN Math Literacy Seminar will address related to your own student's learning and their math needs?
3. How do you currently assess student progress in math?
4. What math assessment approaches are you interested in learning about during the seminar?
5. What type of courses or workshops have you attended on math literacy? What was most valuable about these training sessions?
6. Have you participated in any other PLN programs (seminars, mentoring, etc.)? If so, please list - include when and where:
