IMPORTANT: PLEASE READ

1. **To fully cover your tuition, you will need to request 2 loans:**
 - a. One \$20,500 Unsubsidized Direct Loan that spans 2017 summer semester – 2018 spring semester.
 - b. A \$45,700 GradPLUS loan **or** private loan that spans 2017 July – 2018 May to cover the remaining balance. Be sure to include the origination fee if requesting a GradPLUS loan. Reduce the GradPLUS/ private loan by any amount you intend to have covered through personal resources, scholarships, employer benefits; etc.
2. **You are not eligible for federal loans in the final summer semester.** However, you will receive a refund in the fall and spring **from which you will need to reserve at least \$6,600** to cover the summer 2018 semester.
3. Your actual refund will be the difference between your total loan disbursements per semester and charges (tuition & fees). The maximum refund you can receive in the summer is \$8,300, and in the fall and spring semester it is \$14,405 per semester.
 - a. **Refund = Total Loan Disbursement – Total Tuition & Fees**
 - b. **Refund = max \$8,300 in Summer, max \$14,405 in fall and spring semesters each**
4. If you need additional money for living expenses, when completing the loan request form, select the option that allows the school to process your GradPLUS loan for maximum eligibility.
5. Tuition and fees do not include travel expenses for Ed Ent. weekends and intensives.
