

Outside scholarships are scholarships not originating from GSE and are a great way to supplement your personal finances and reduce the amount of loans you must borrow. Because criteria for outside scholarships vary widely and are not determined by GSE, we cannot help in applying for these awards. For your convenience we have listed the scholarships some of our students have had success with and others we feel may be useful to members of the GSE community. We encourage you to visit the website for each scholarship to learn more about rules, criteria, and deadlines, and to use your best judgement when applying for outside scholarship. One helpful resource in avoiding scholarship fraud is the [FTC statement](https://www.consumer.ftc.gov/financialaid) (<https://www.consumer.ftc.gov/financialaid>) on scholarship scams.
