## IMPORTANT: PLEASE READ CAREFULLY

- 1. Request enough loans in the summer each year to cover the summer through spring. Loans will be divided into equal thirds each semester. Be sure to include the 4.3% origination fee if requesting a GradPLUS loan.
- 2. Although the program is academically organized as four terms the first year (Summer II, Fall, Spring, and Summer I) and two terms the second (Fall-Spring), for loan purposes, there are 3 terms (Summer, Fall, and Spring) each year.
- 3. You will need to file a FAFSA each year and request loans each year. You need to file a FAFSA if you intend to borrow federal or private loans.
- 4. Recommended loan amounts assume \$0 student contribution and no scholarships or outside payments by institutions.
- 5. Students are billed at the beginning of each term for six terms per the billing schedule.
- 6. Tuition/Fees includes instructional costs, books, meals, and hotel (typically two nights). There are occasionally supplementary fees associated with the International Context course that occurs in Summer I.
