SUMMER INSTITUTE

for principals

INSTITUTE GOALS

- Increase understanding of the role of language development and authentic assessment in the K-12 classroom
- Access powerful models for developing pedagogies that support students' acquisition of academic language and standards-based content
- Develop action steps that support students' English language and literacy as mandated by PA Common Core Standards

Join us and support the teaching of writing and literacy for **ALL** students. Participants will earn 1 CEU (3 semester hrs.) and must attend all sessions in order to receive compensation equivalent to 15 hrs. at the PD rate.
